

Hotels, Motels, Apartments, Hospitals, Assisted Care Living Facilities, Colleges, Property Management Firms, Investors, Realtors and Offices buildings.

We are known for both our commercial and residential services. Our services and expertise cover a full spectrum of commercial resurfacing for all types of commercial clients, such as restaurants, meeting rooms, stores, i.e., that service the general public.

Porcelain Innovations has provided resurfacing to numerous lodging establishments, including: Marriott Hotels and Marriott B affiliates. Through Porcelain Innovations superior work at Marriott properties, the company has been awarded an approved preferred vendor for all Marriott locations. Other commercial properties that Porcelain Innovations has performed services at include: Western Holiday Inn, Intercontinental Hotels, Hilton, Century Center and La Quinta Inns. Porcelain Innovations landmark projects include The Fox Theater, The Lullwater Estate (built by the Chandler's) at Emory University and the Pinebloom Mansion.

Porcelain Innovations is WBNEC certified and recognized as a diverse minority supplier. The company has been accredited by the Better Business Bureau since 2003 and since then has had an A+ rating.
